

You're Invited: Flood Infrastructure Fund Webinar

The Texas Water Development Board (TWDB) invites you to a Flood Infrastructure Fund (FIF) webinar. TWDB staff will share information and details about the upcoming FIF Intended Use Plan (IUP) for State Fiscal Year (SFY) 2024-2025. An IUP document is published biannually to account for how the FIF will be used during a fiscal year.

The FIF program assists in financing drainage, flood mitigation, and flood control projects, including planning and design activities necessary for regulatory approvals, construction, and implementation of flood projects.

The 86th Texas Legislature (2019) passed several bills entrusting the TWDB with responsibilities related to funding flood mitigation projects and planning for future flood events. In November 2019, Texas voters approved Proposition 8, a constitutional amendment creating the FIF program.

Date / Time	Host
Monday, March 18, 2024 10:00 – 11:30 a.m.	TWDB

- Please register in advance for the March 18 FIF webinar: <https://attendee.gotowebinar.com/register/6891290719675650389>
- General questions may be emailed to: FIF@twdb.texas.gov
- Visit the FIF webpage for more information: <https://www.twdb.texas.gov/financial/programs/FIF/index.asp>
