

2023 REGIONAL FLOOD PLAN
REGION 15
LOWER RIO GRANDE

VOL. 2-1

APPENDIX A - MAPS

MAPS 1-6C

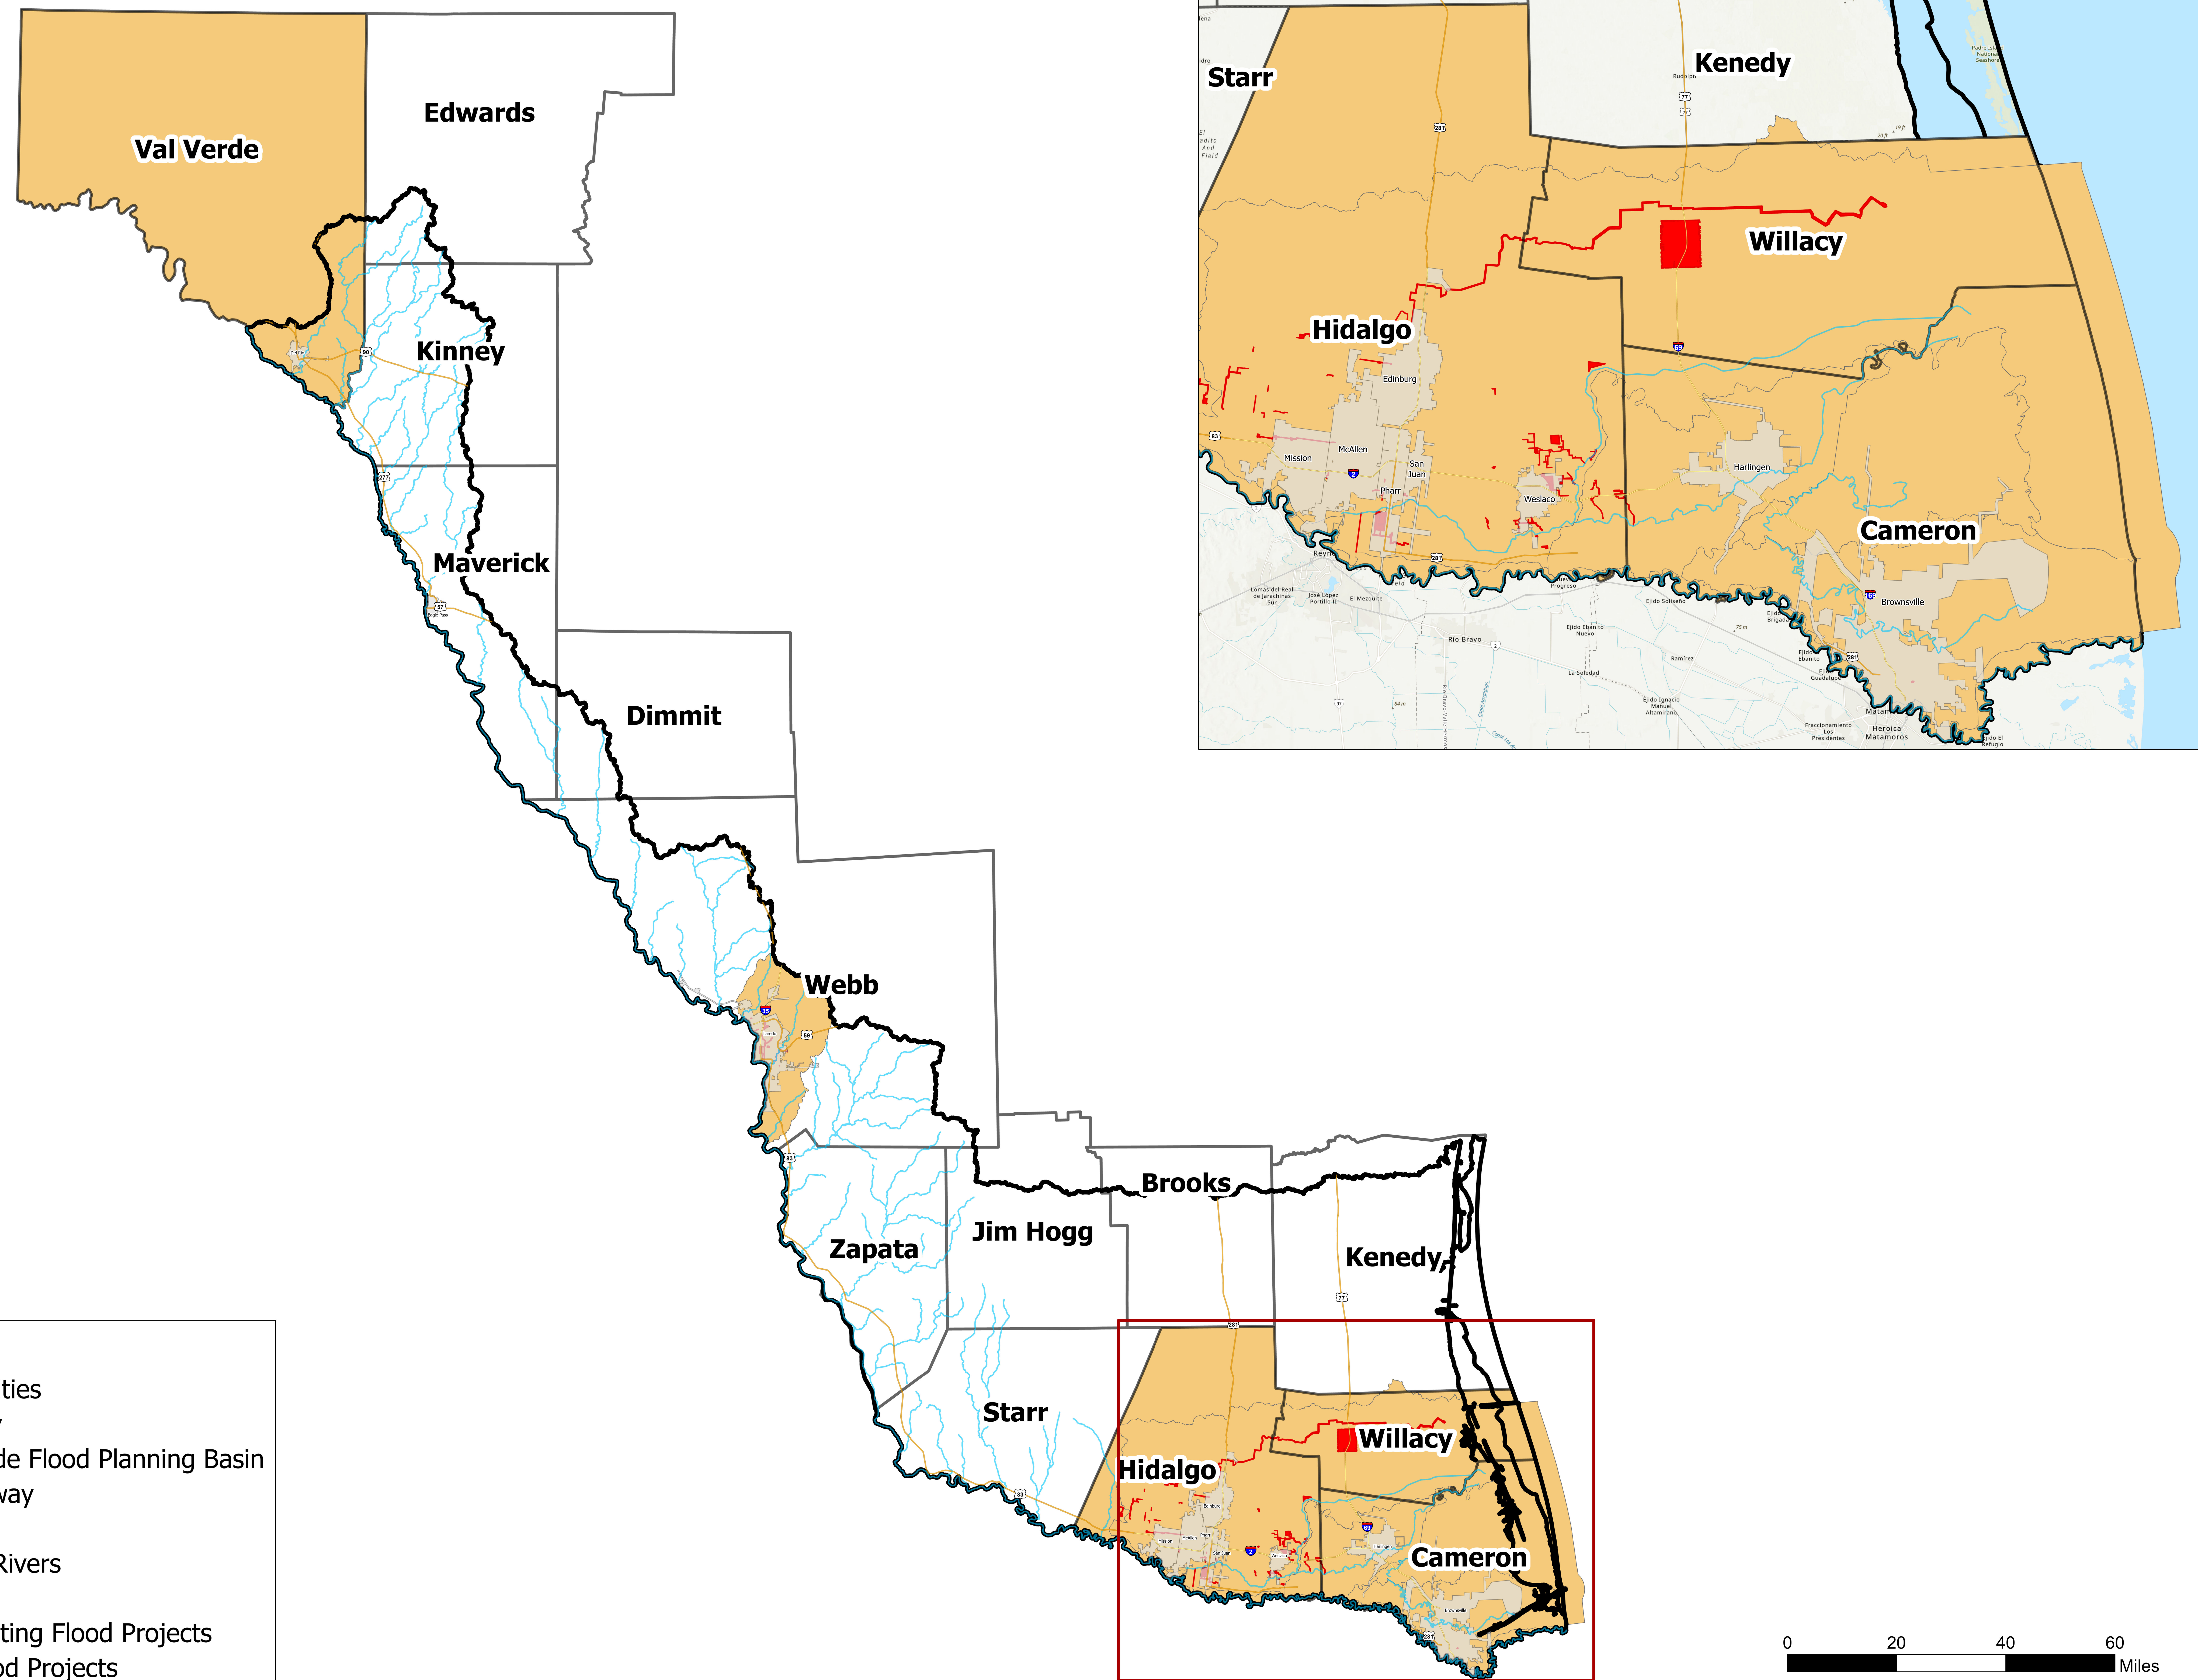

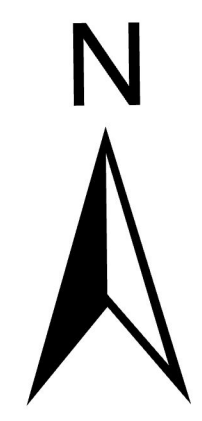

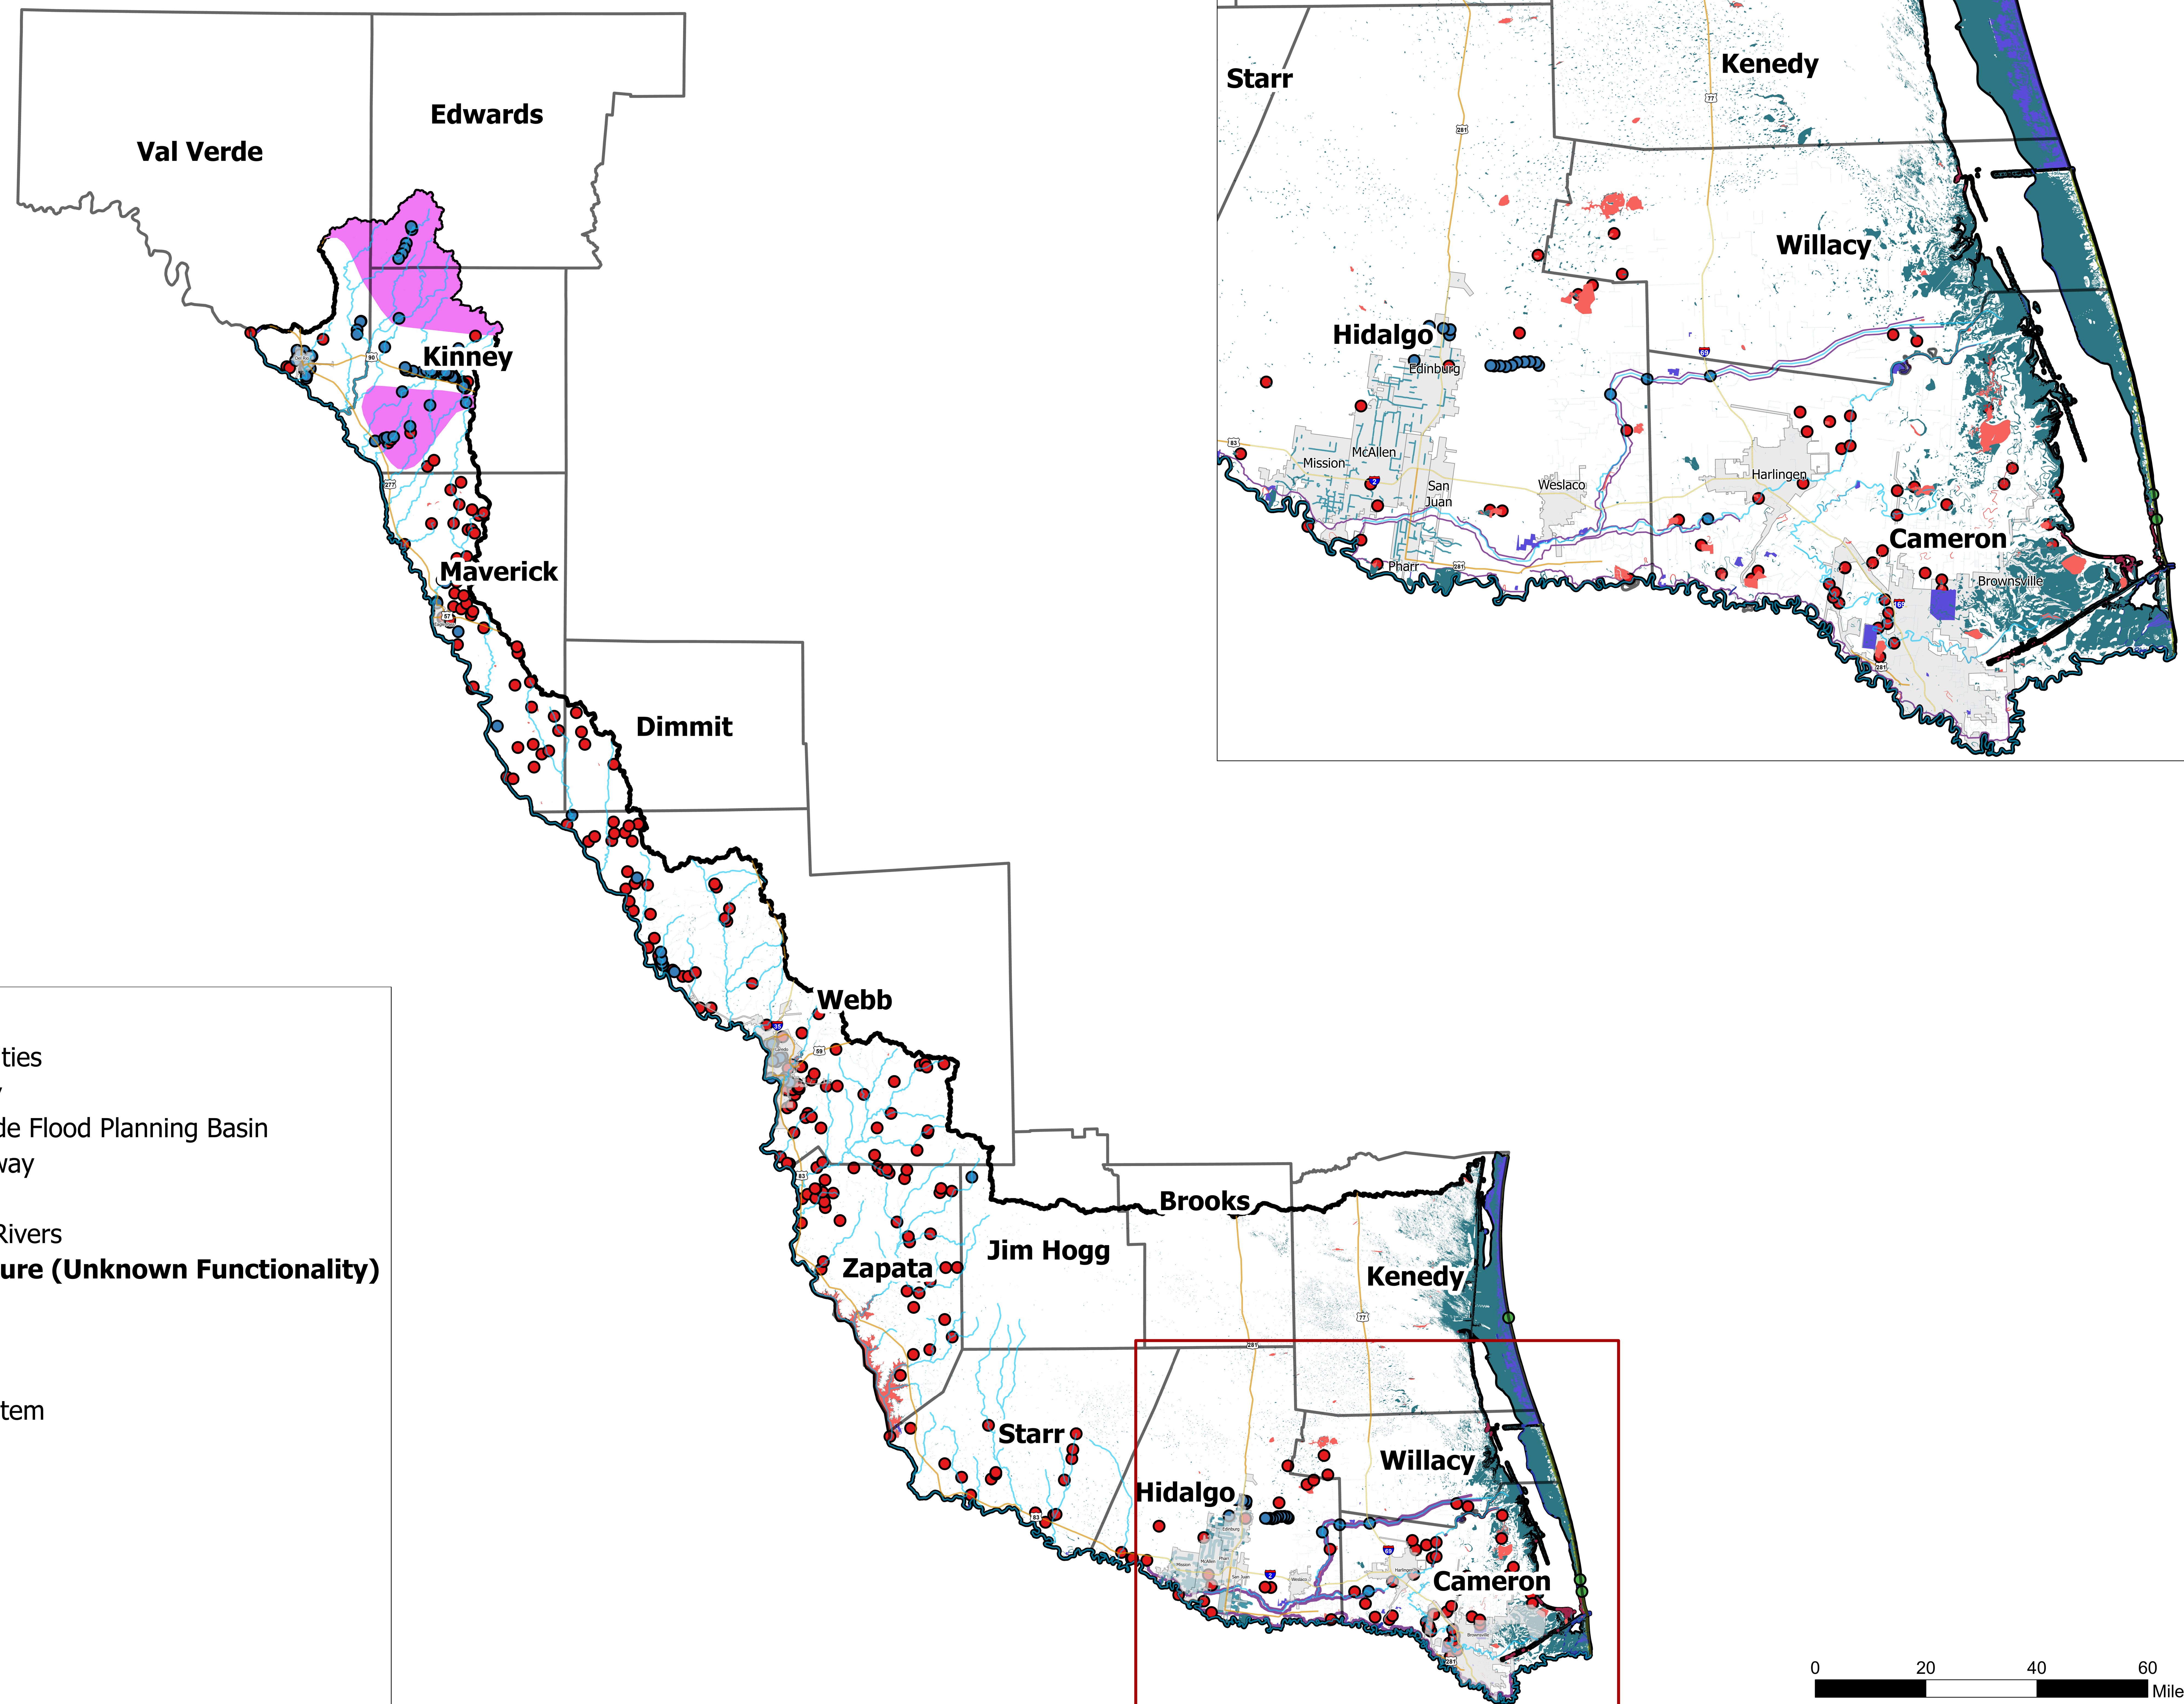

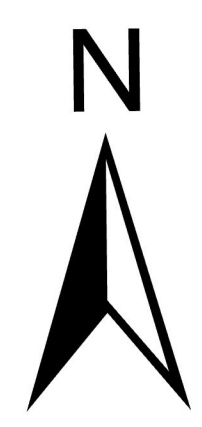

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Flood Infrastructure

- Dunes
- Other
- Sea Wall
- Storm Drain System
- Levee
- Pond
- Sinkhole
- Wetland
- Other
- Dam
- LWC
- Other

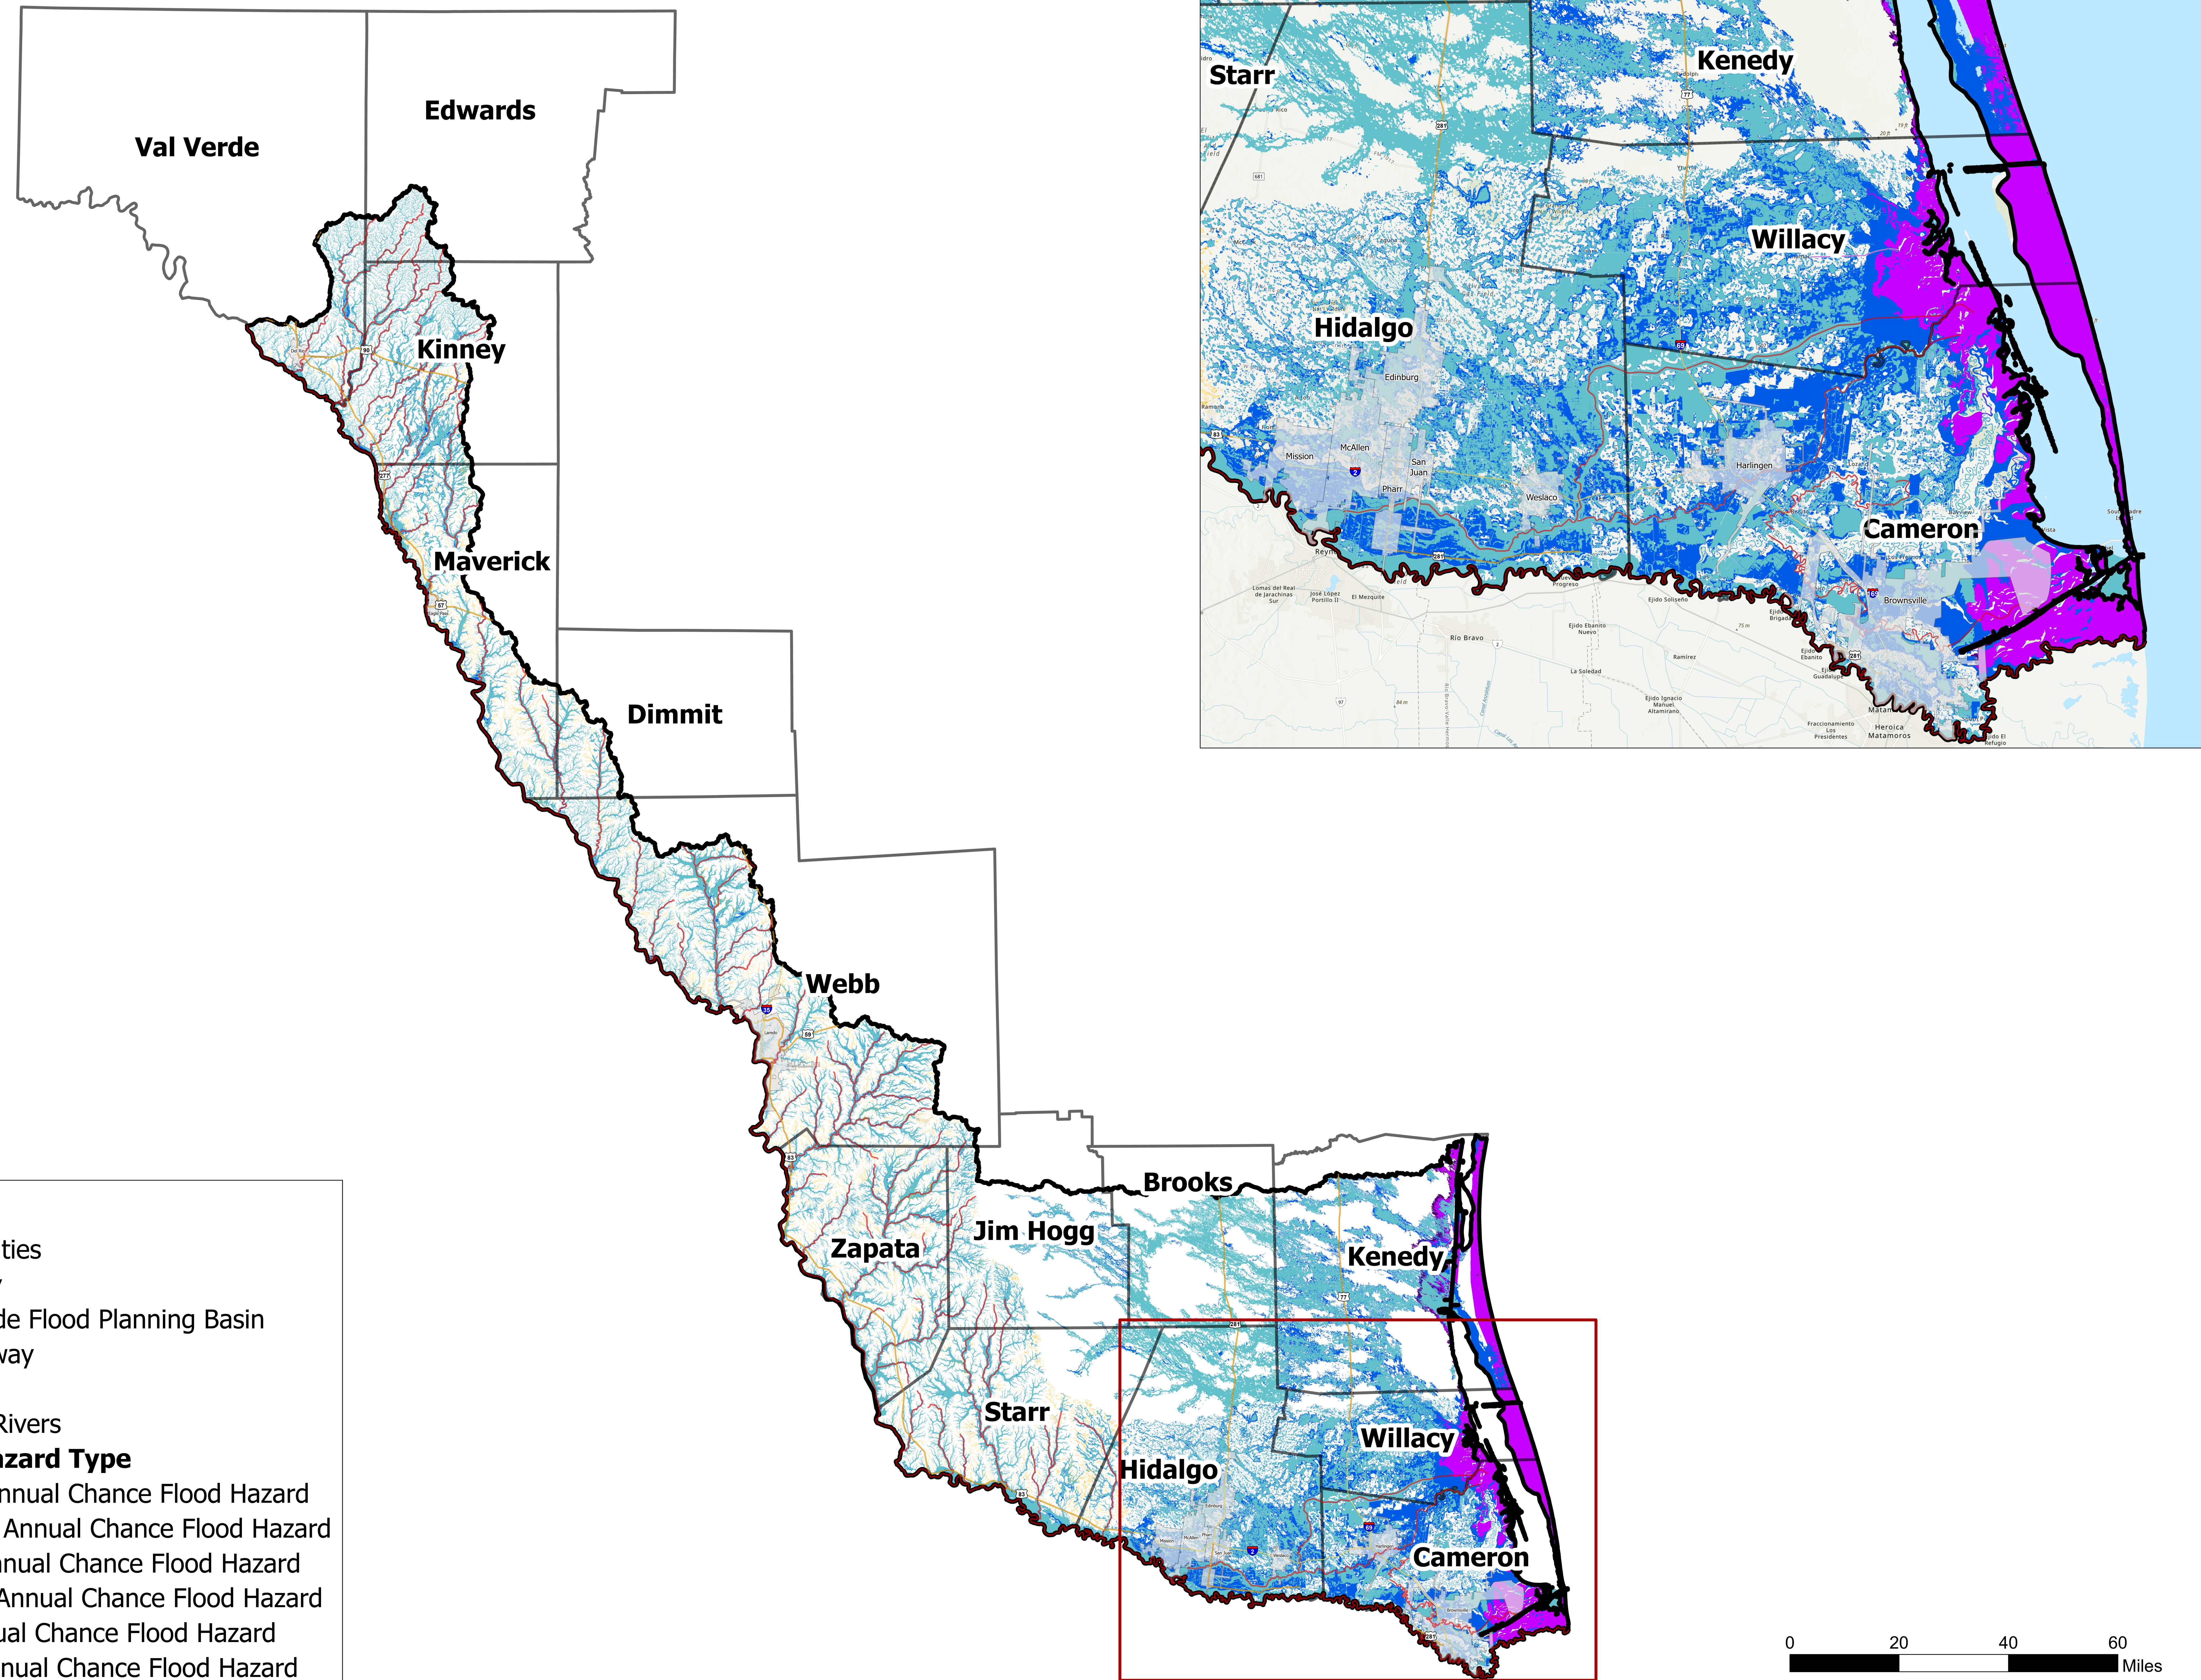

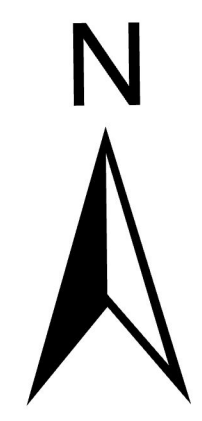

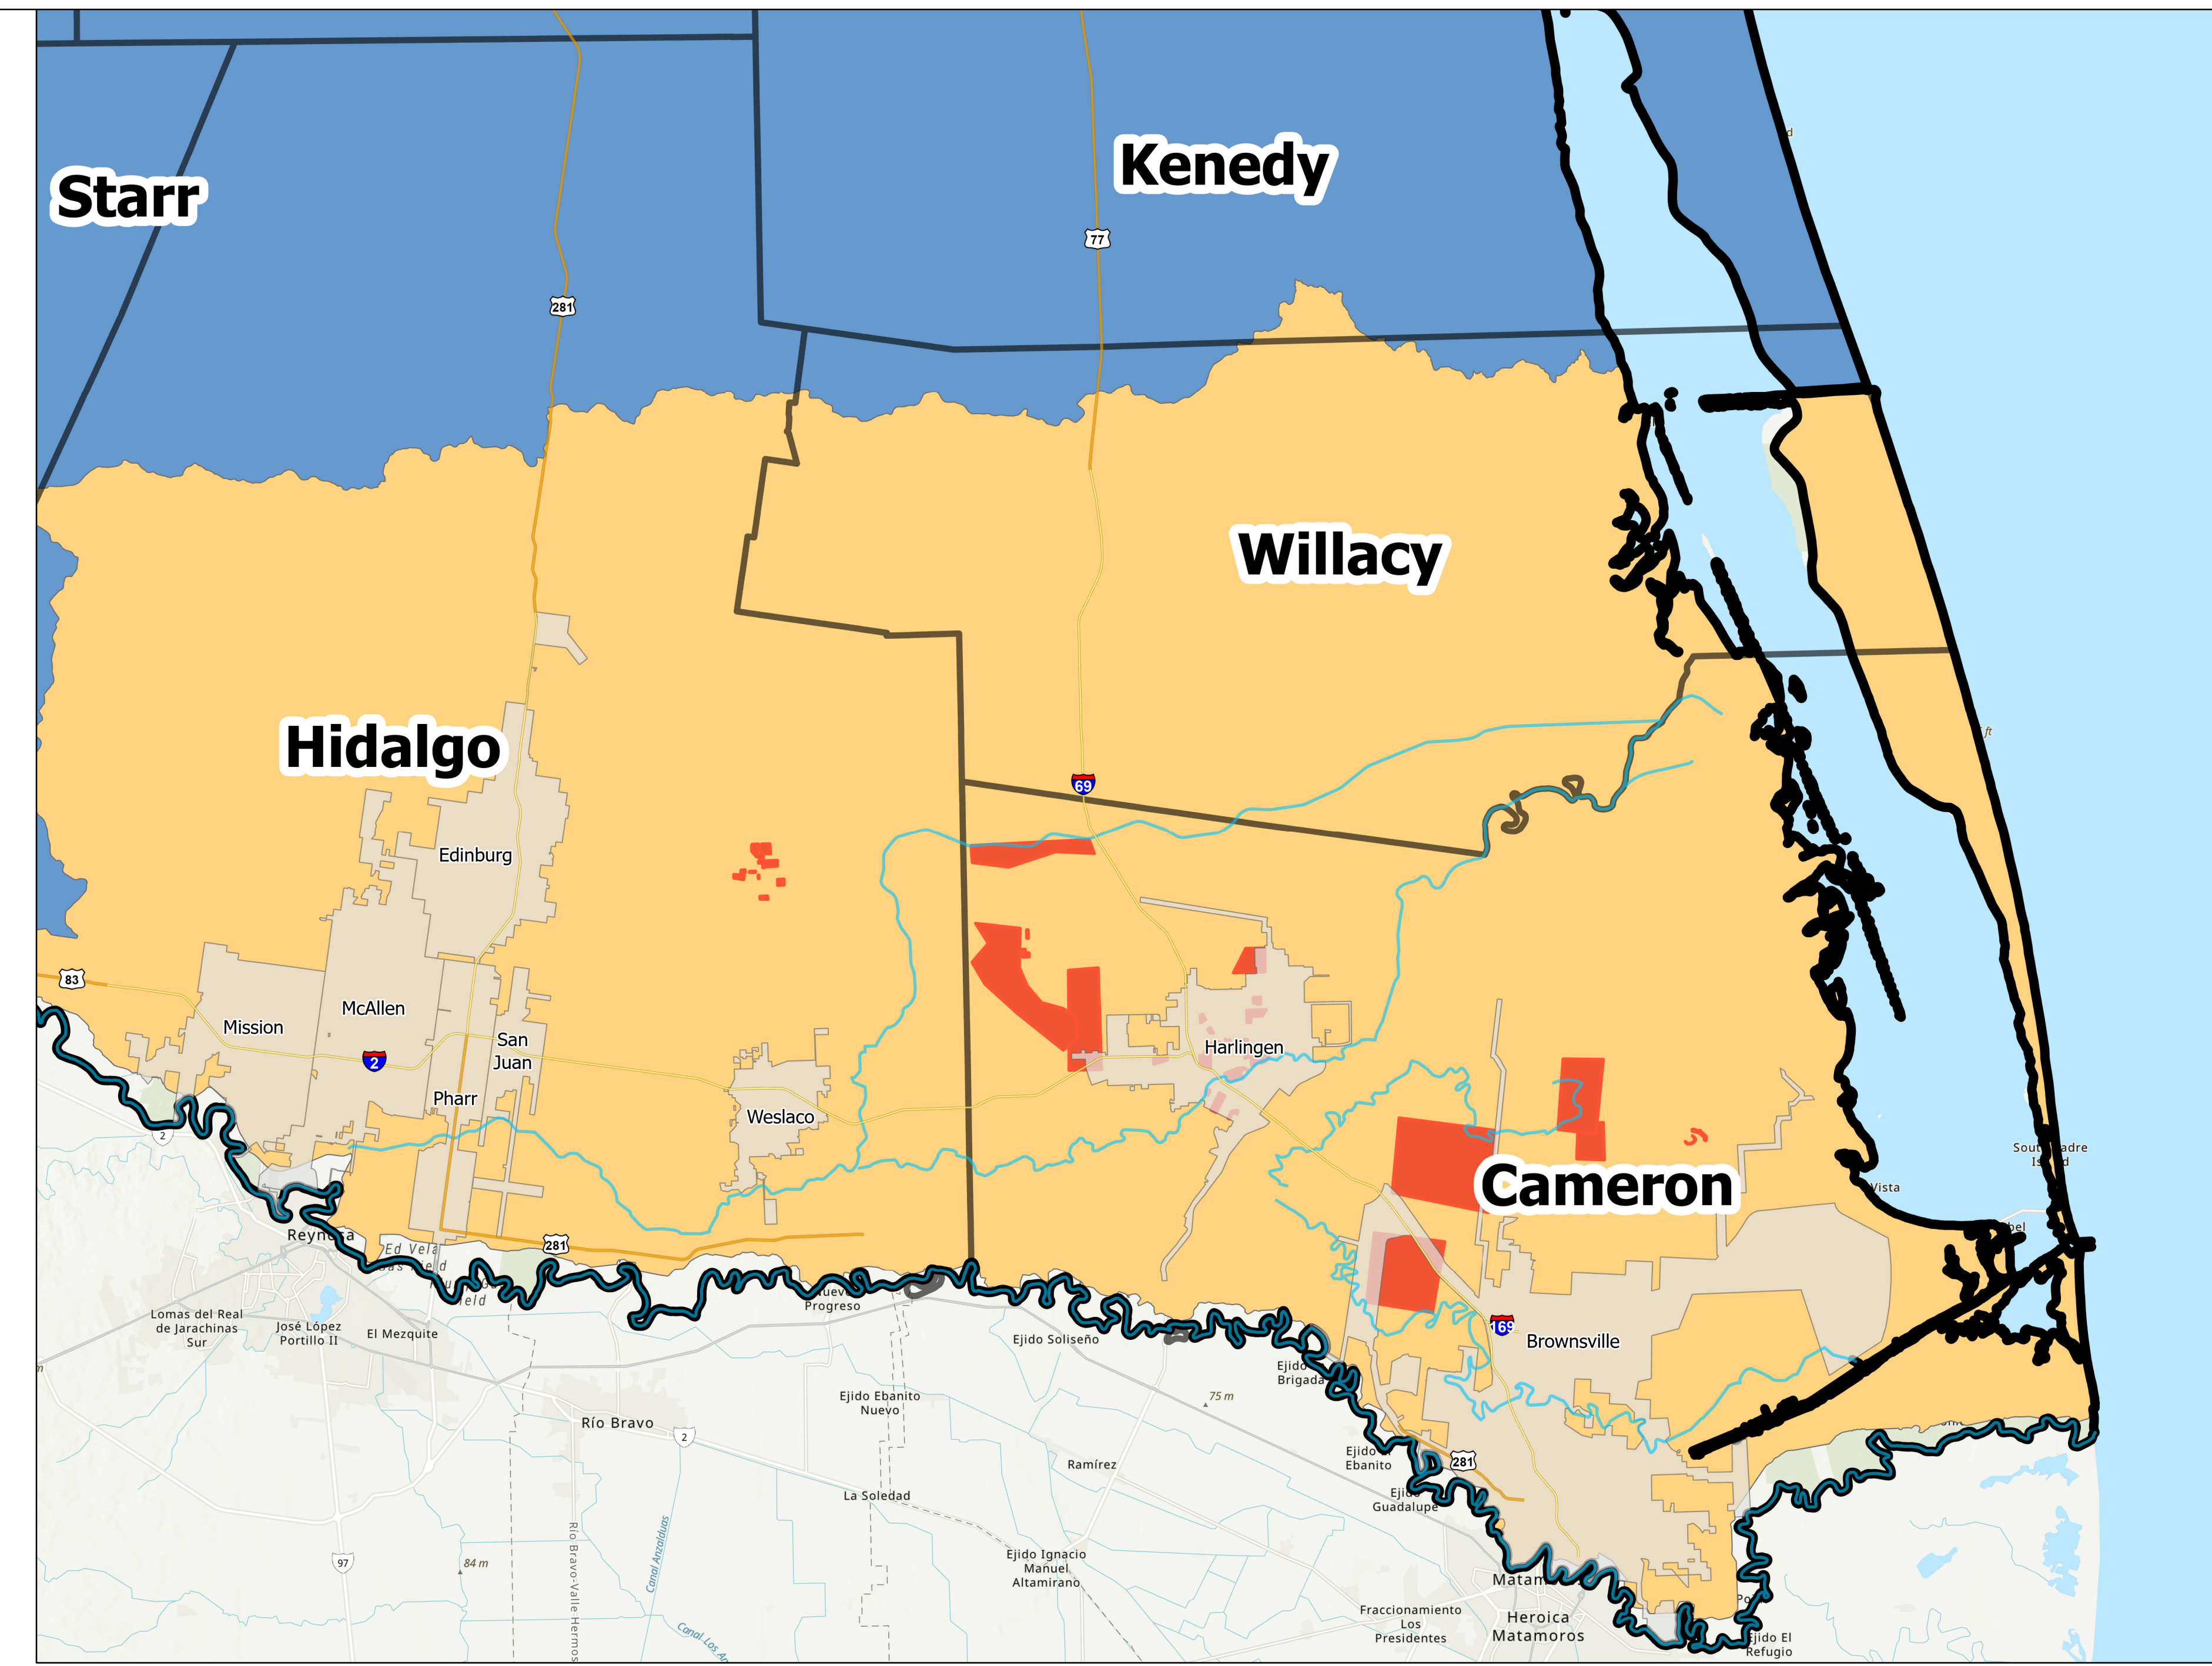

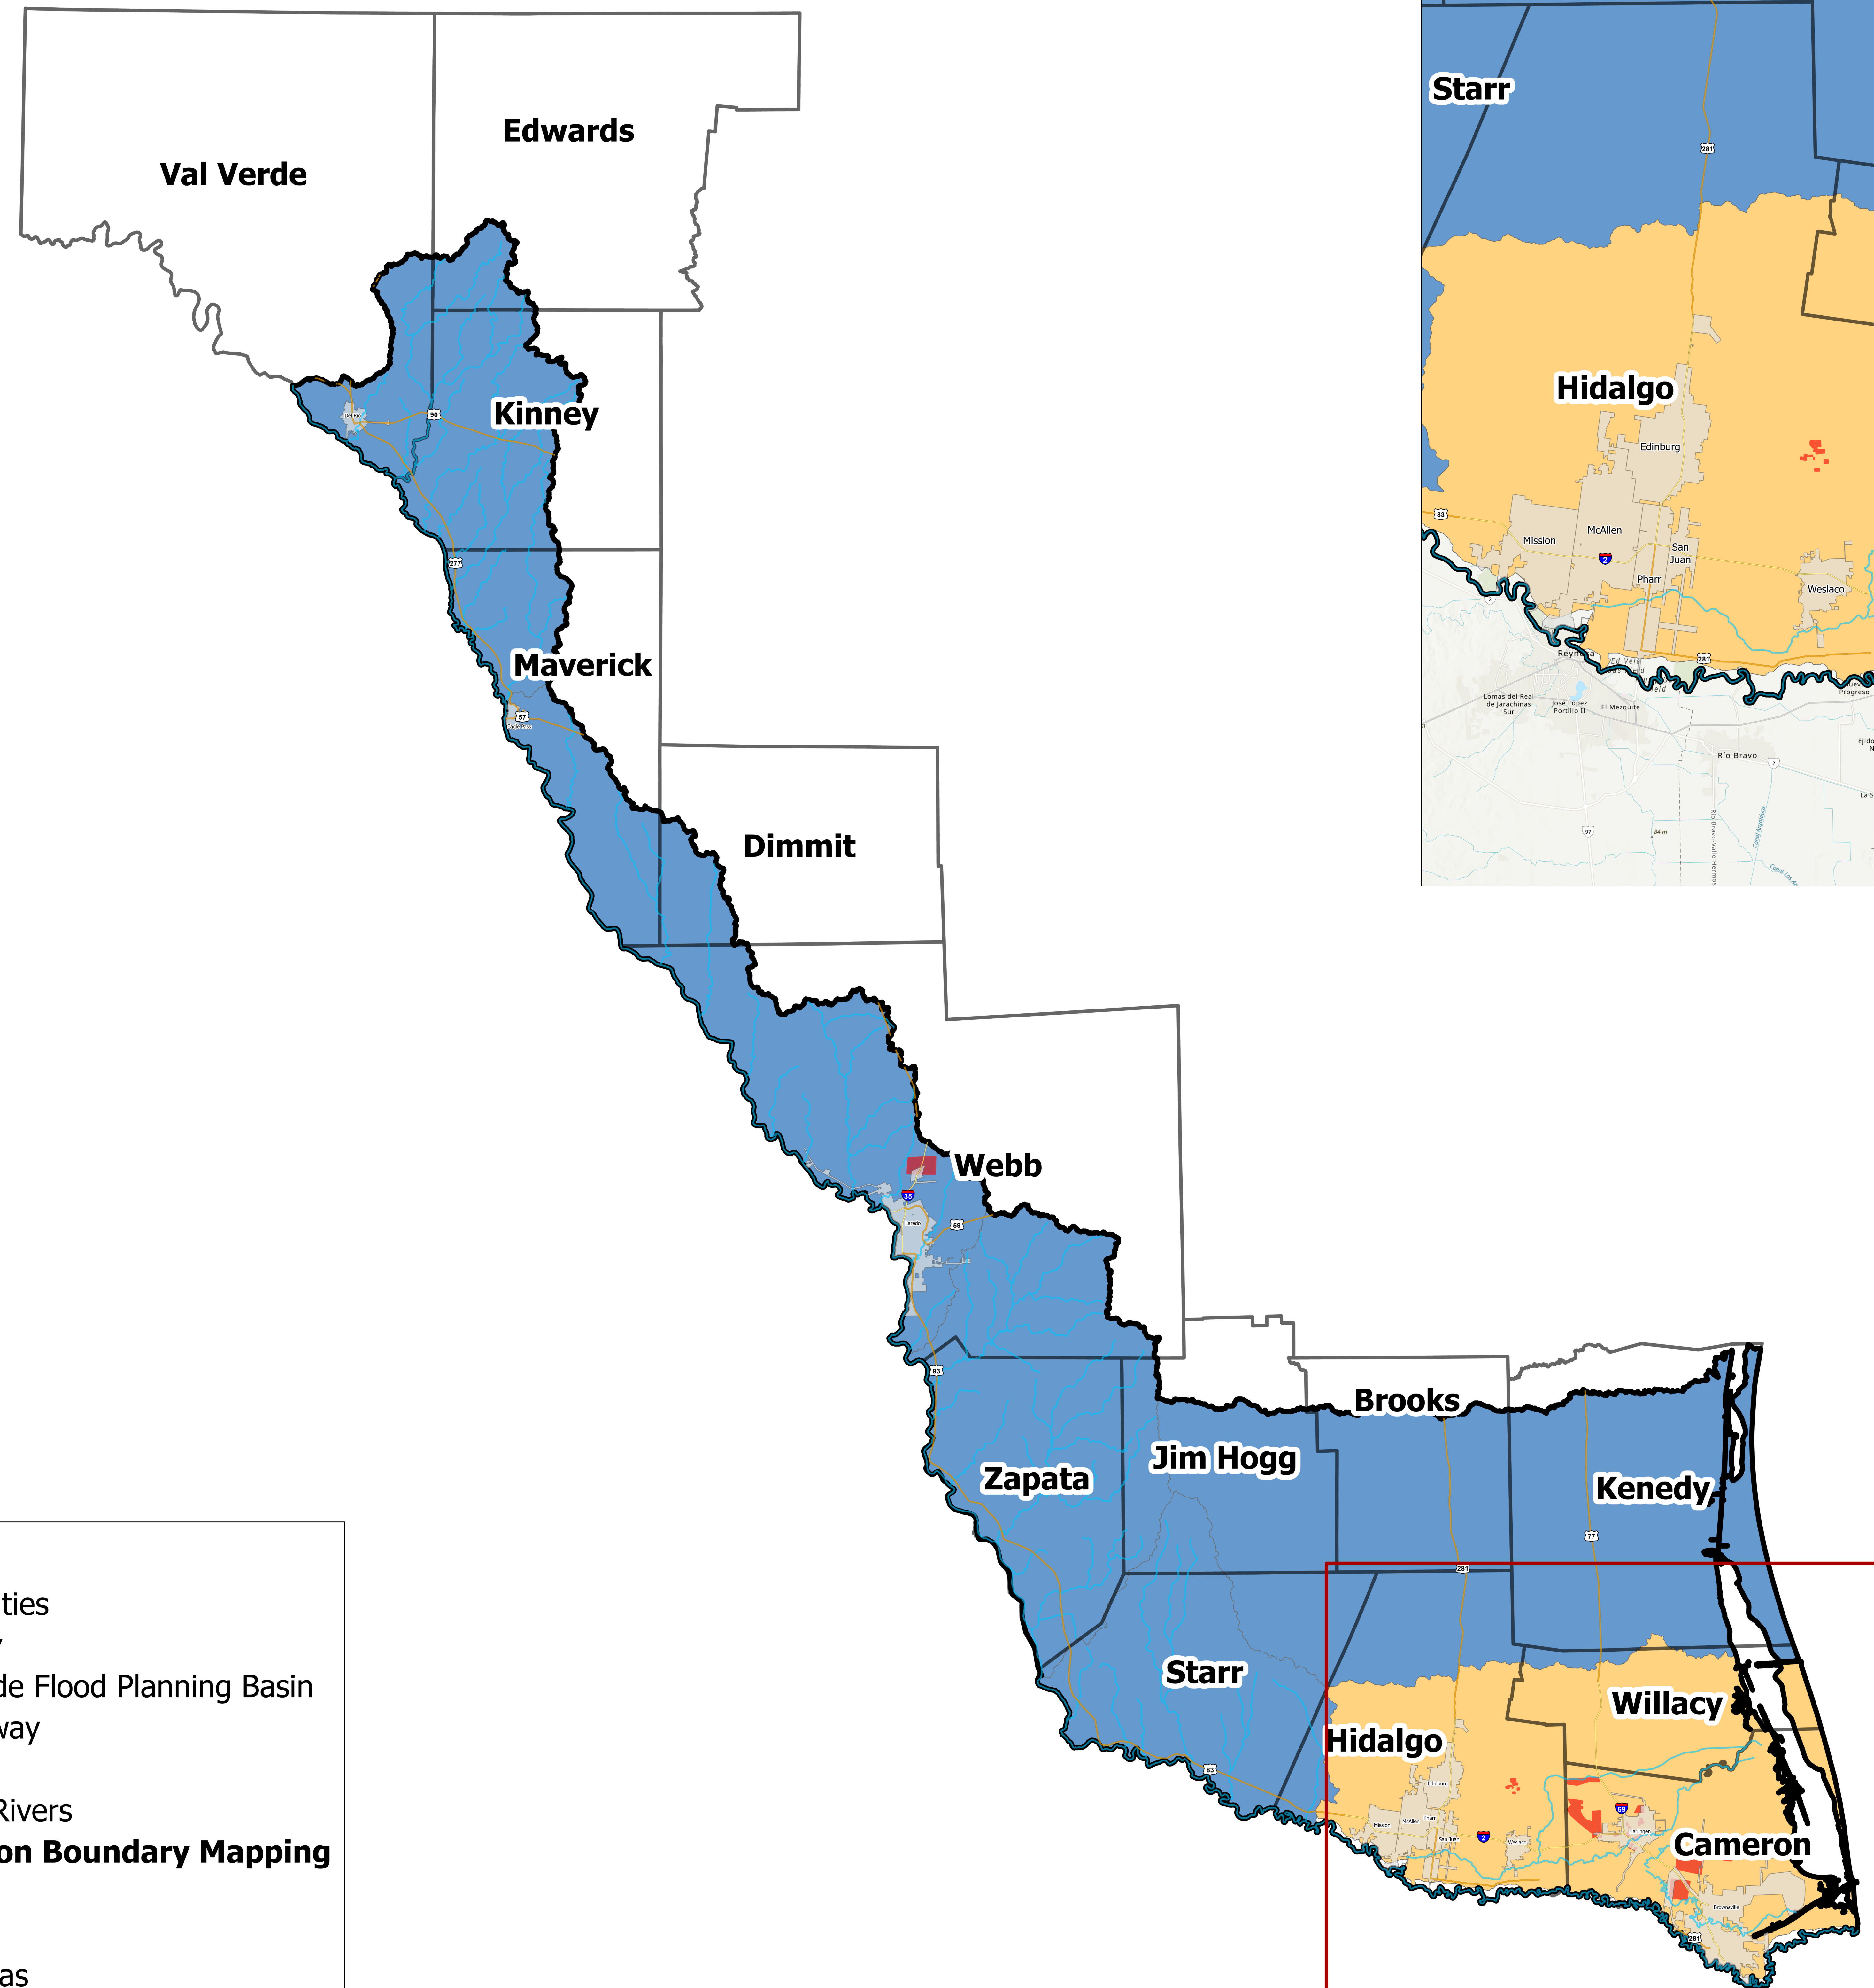

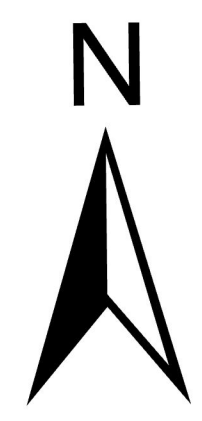

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Flood Infrastructure (Unknown Functionality)

- Dunes
- Other
- Sea Wall
- Storm Drain System
- Levee
- Pond
- Sinkhole
- Wetland
- Other
- Dam
- LWC
- Other

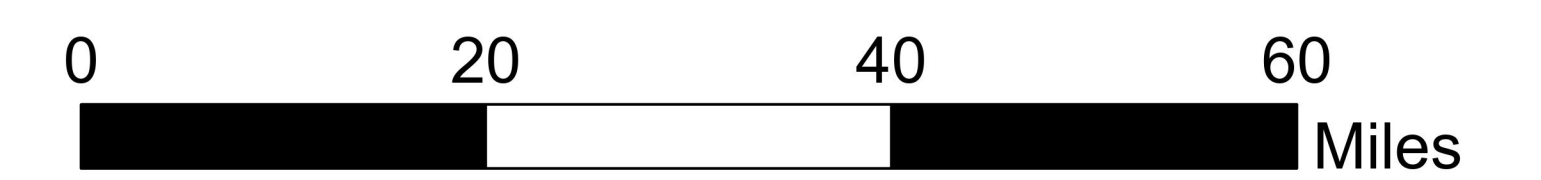

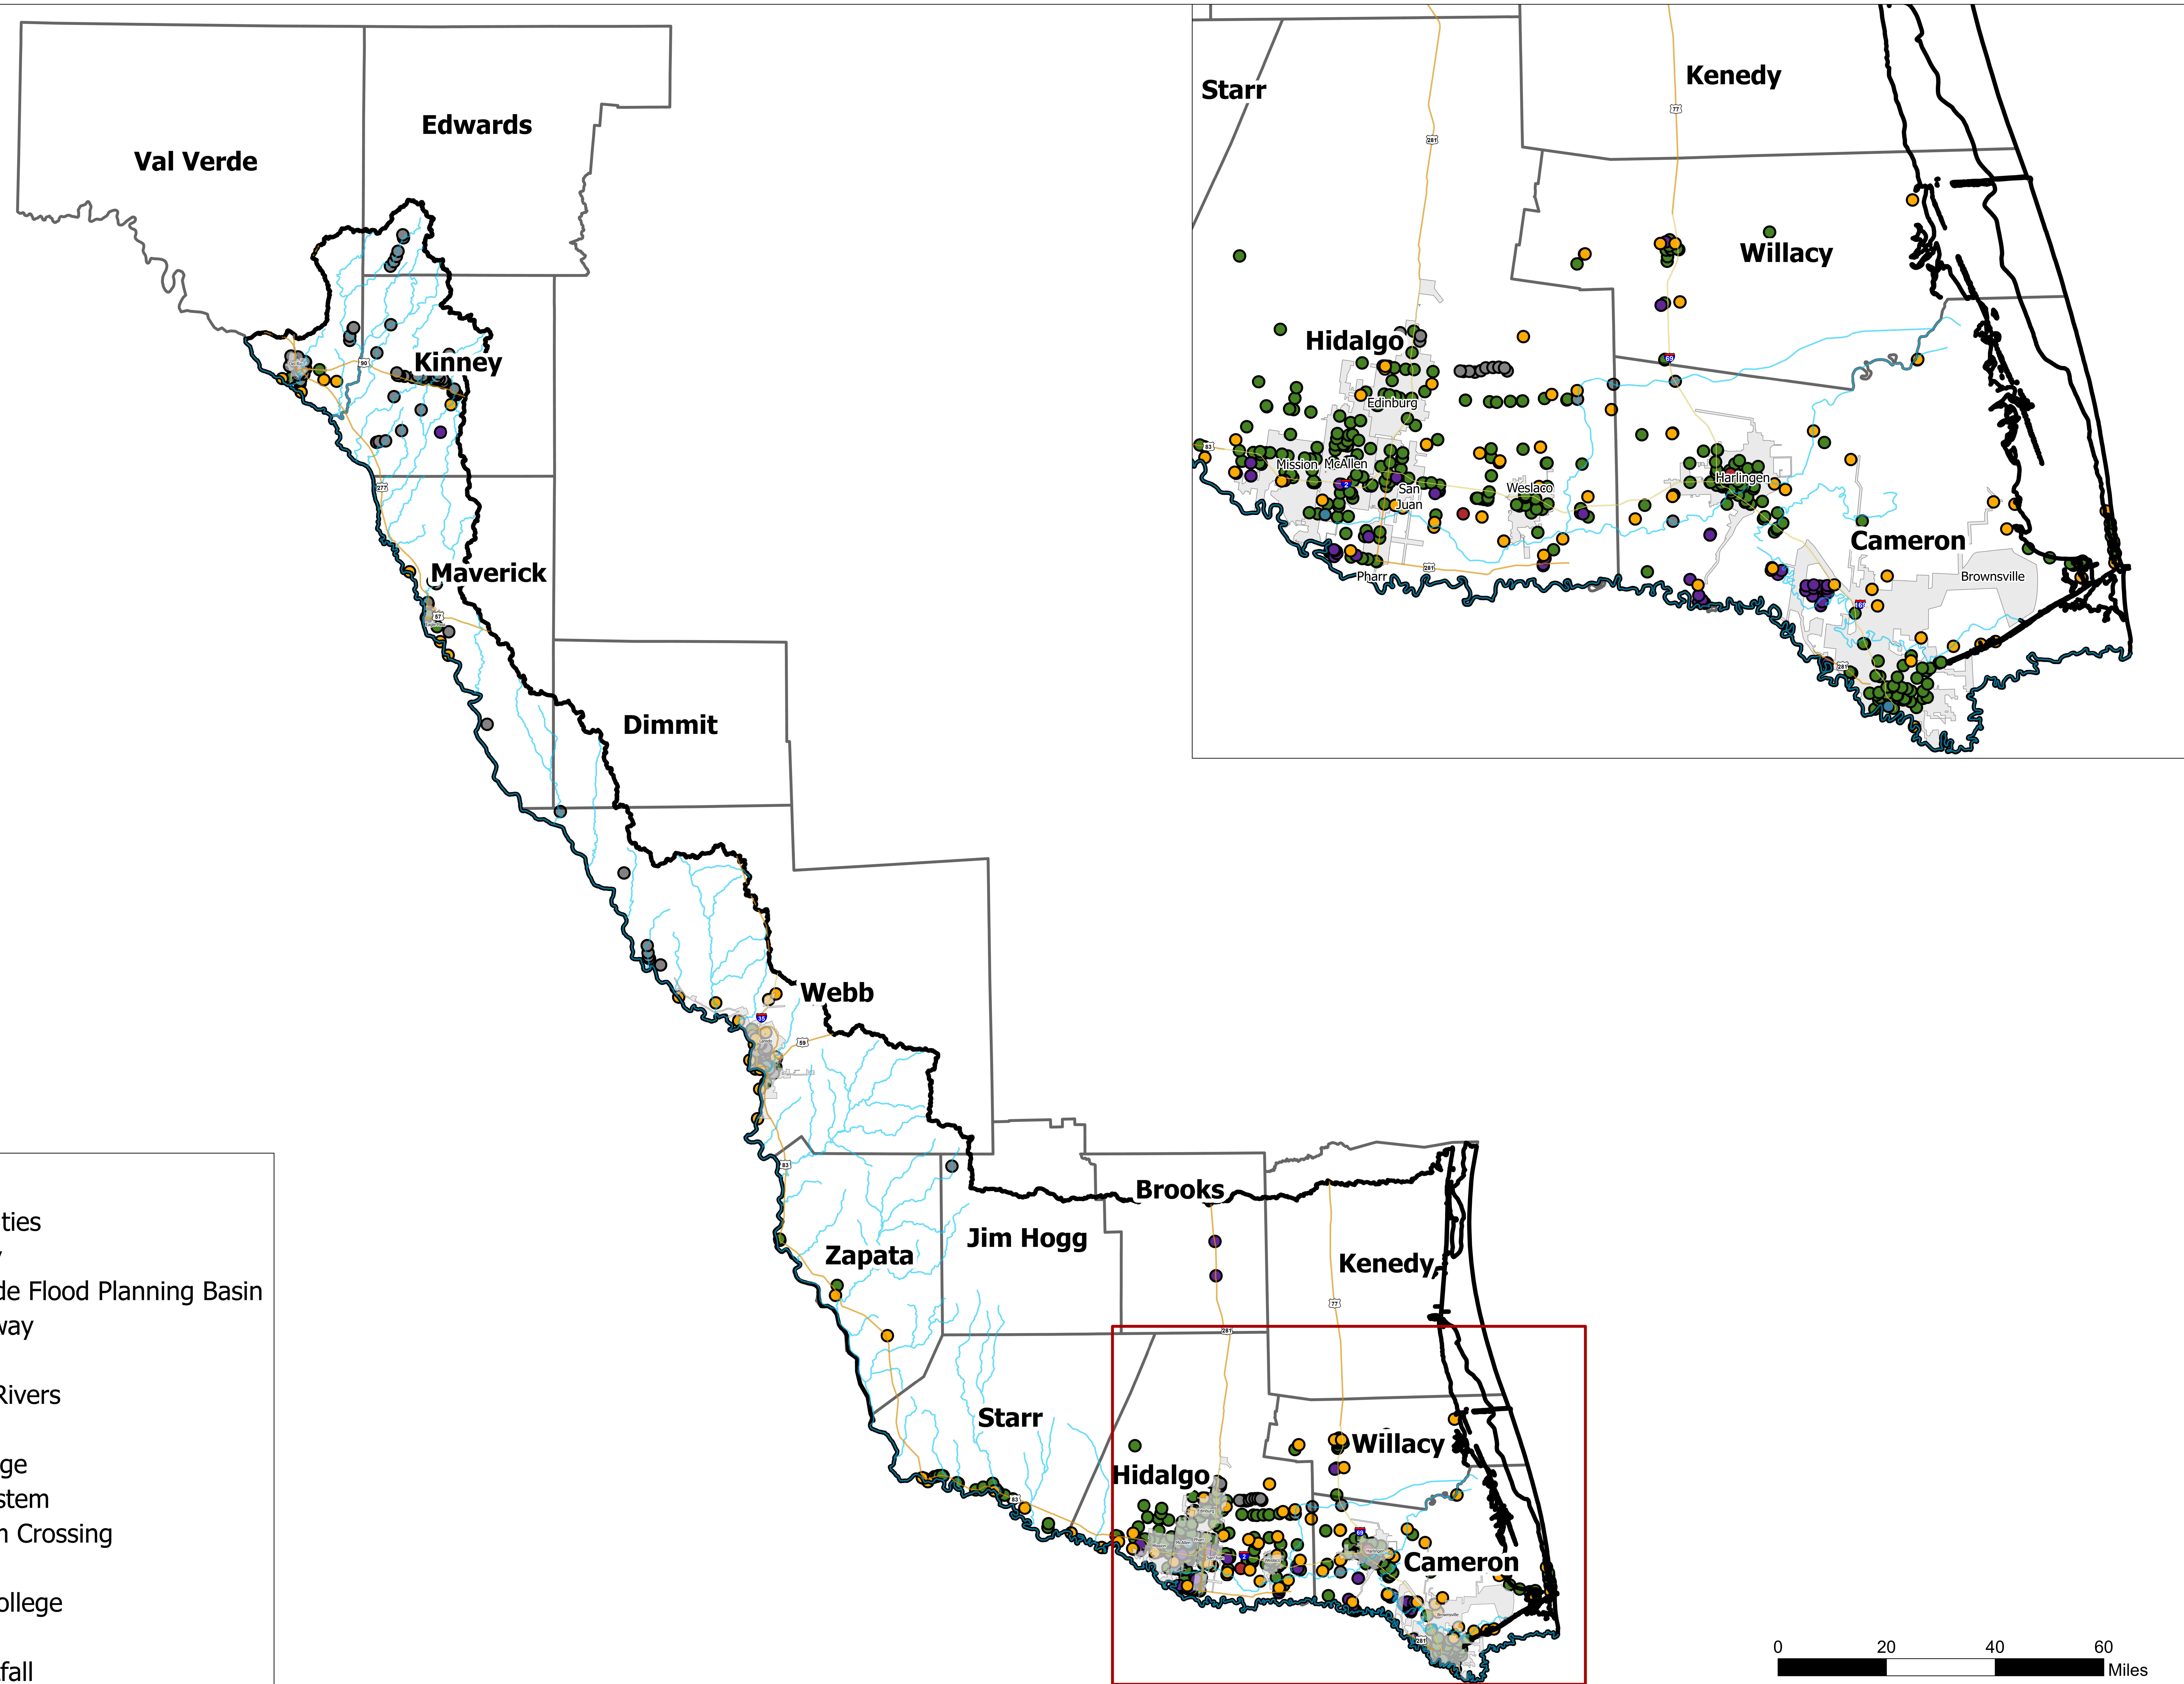

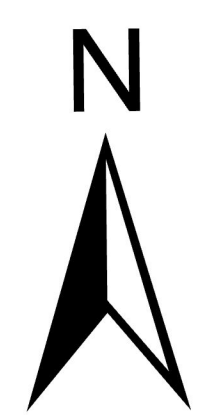

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Gaps in Inundation Boundary Mapping

- BLE Data
- Fathom Data
- Flood Prone Areas

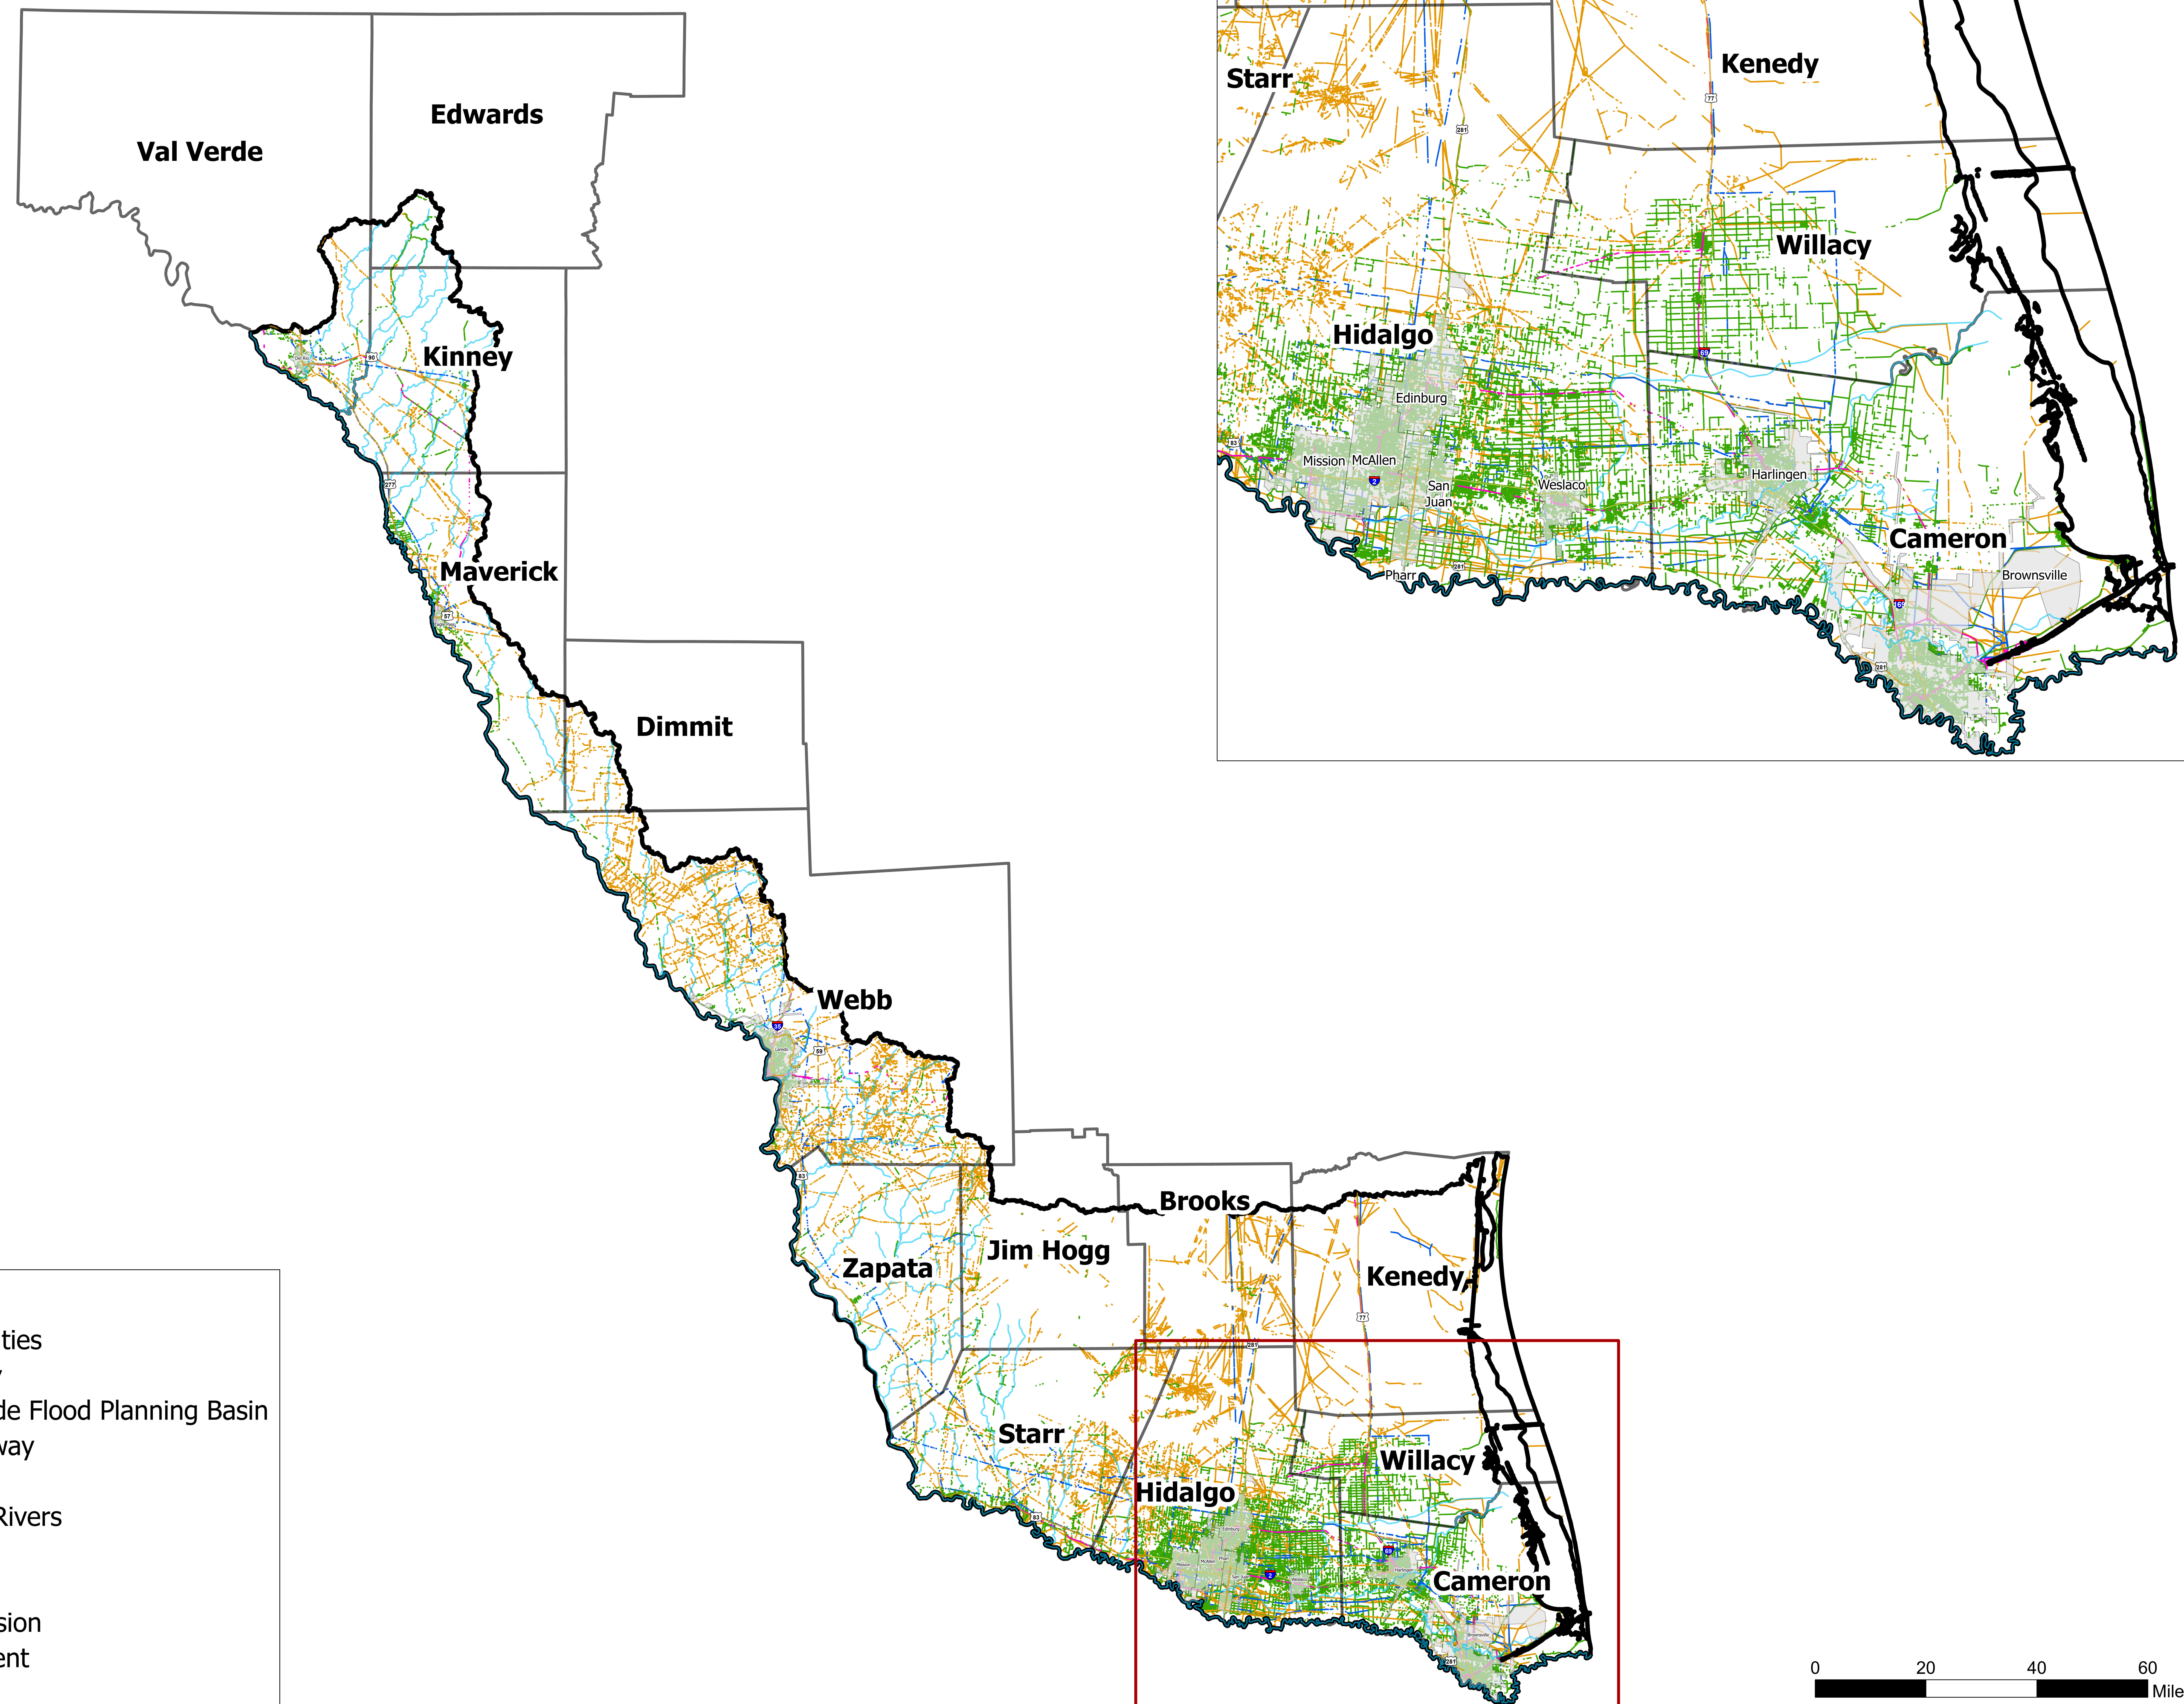

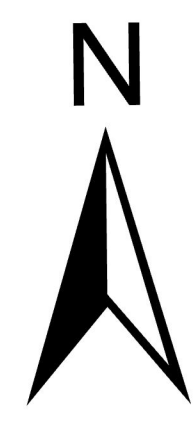

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Flood Exposure

- Petroleum Storage
- Public Water System
- Roadway Stream Crossing
- Superfund Site
- Supplemental College
- University
- Wastewater Outfall

**MAP 6A: EXISTING CONDITION FLOOD EXPOSURE
(PETROLEUM, CROSSINGS, COLLEGE, PUBLIC UTILITIES, AND SUPERFUND SITES)**

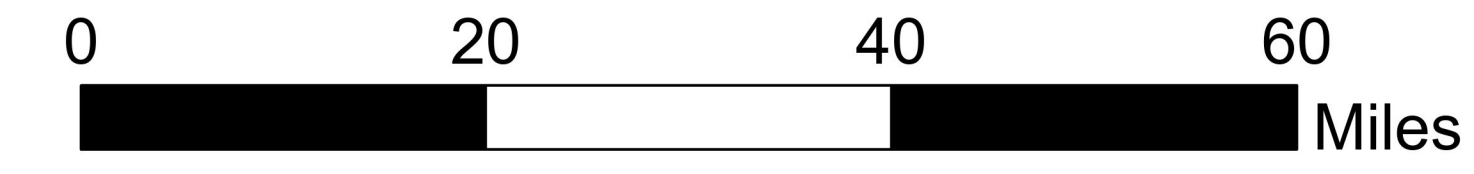

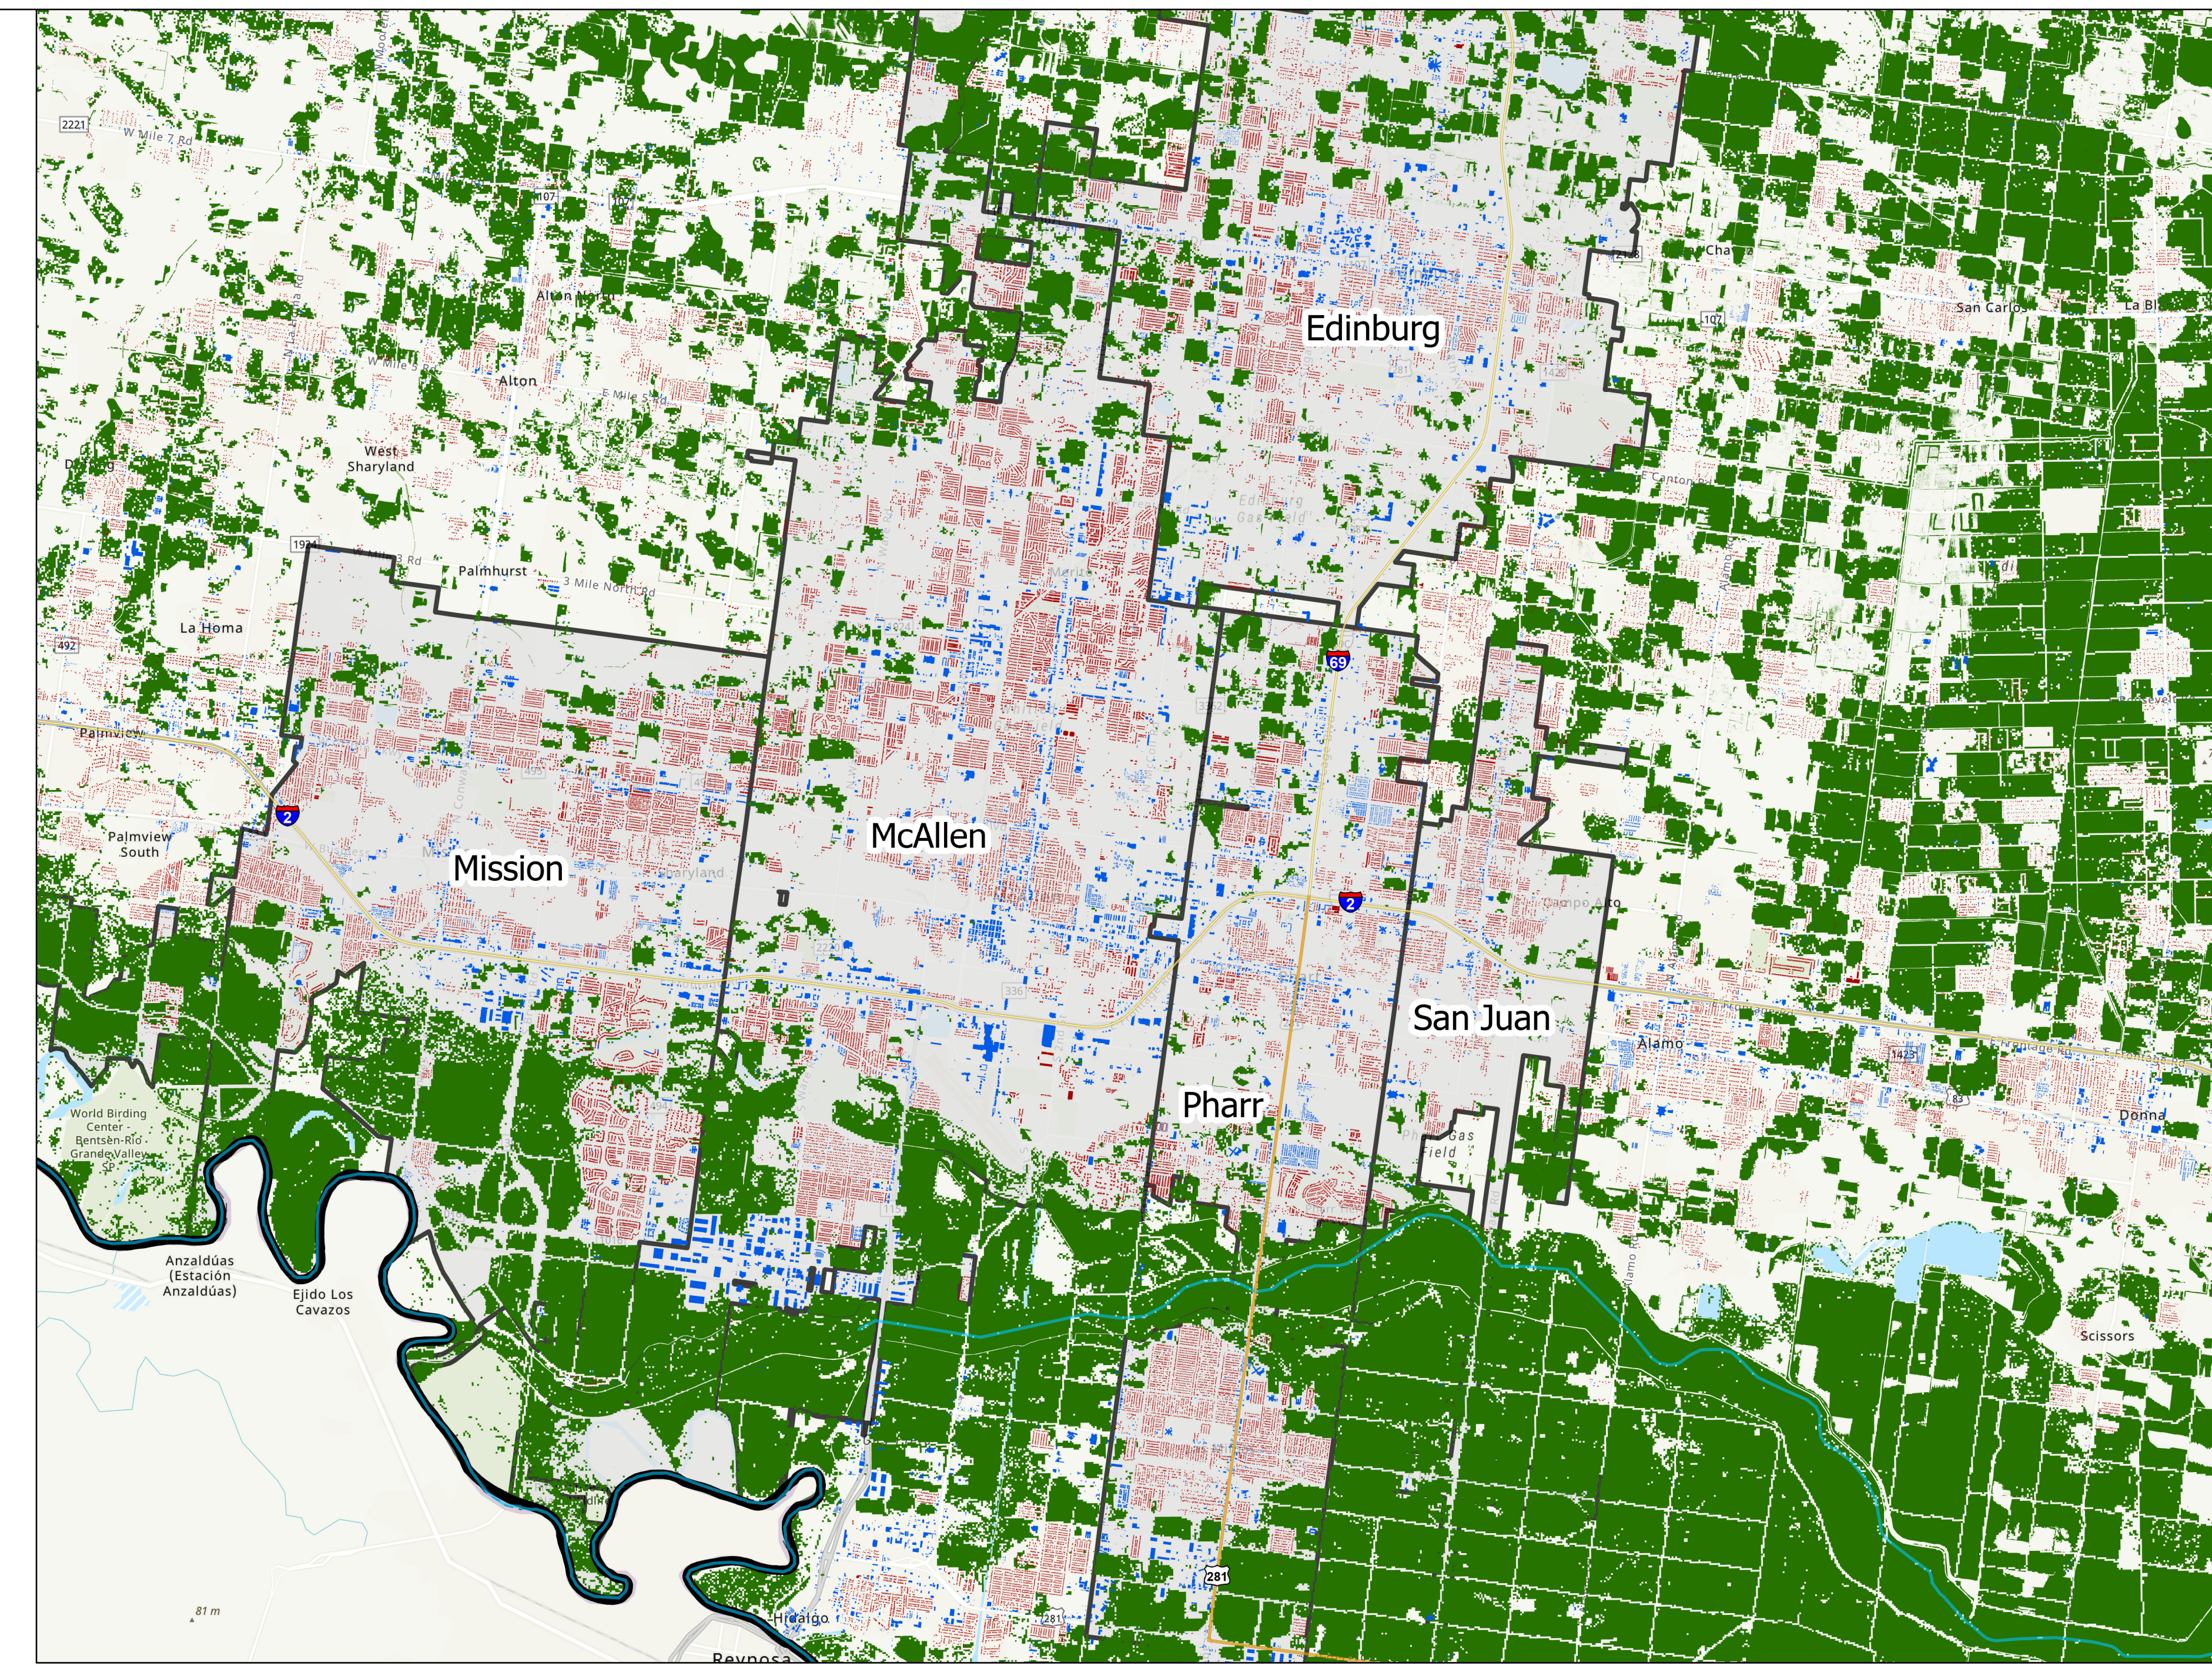

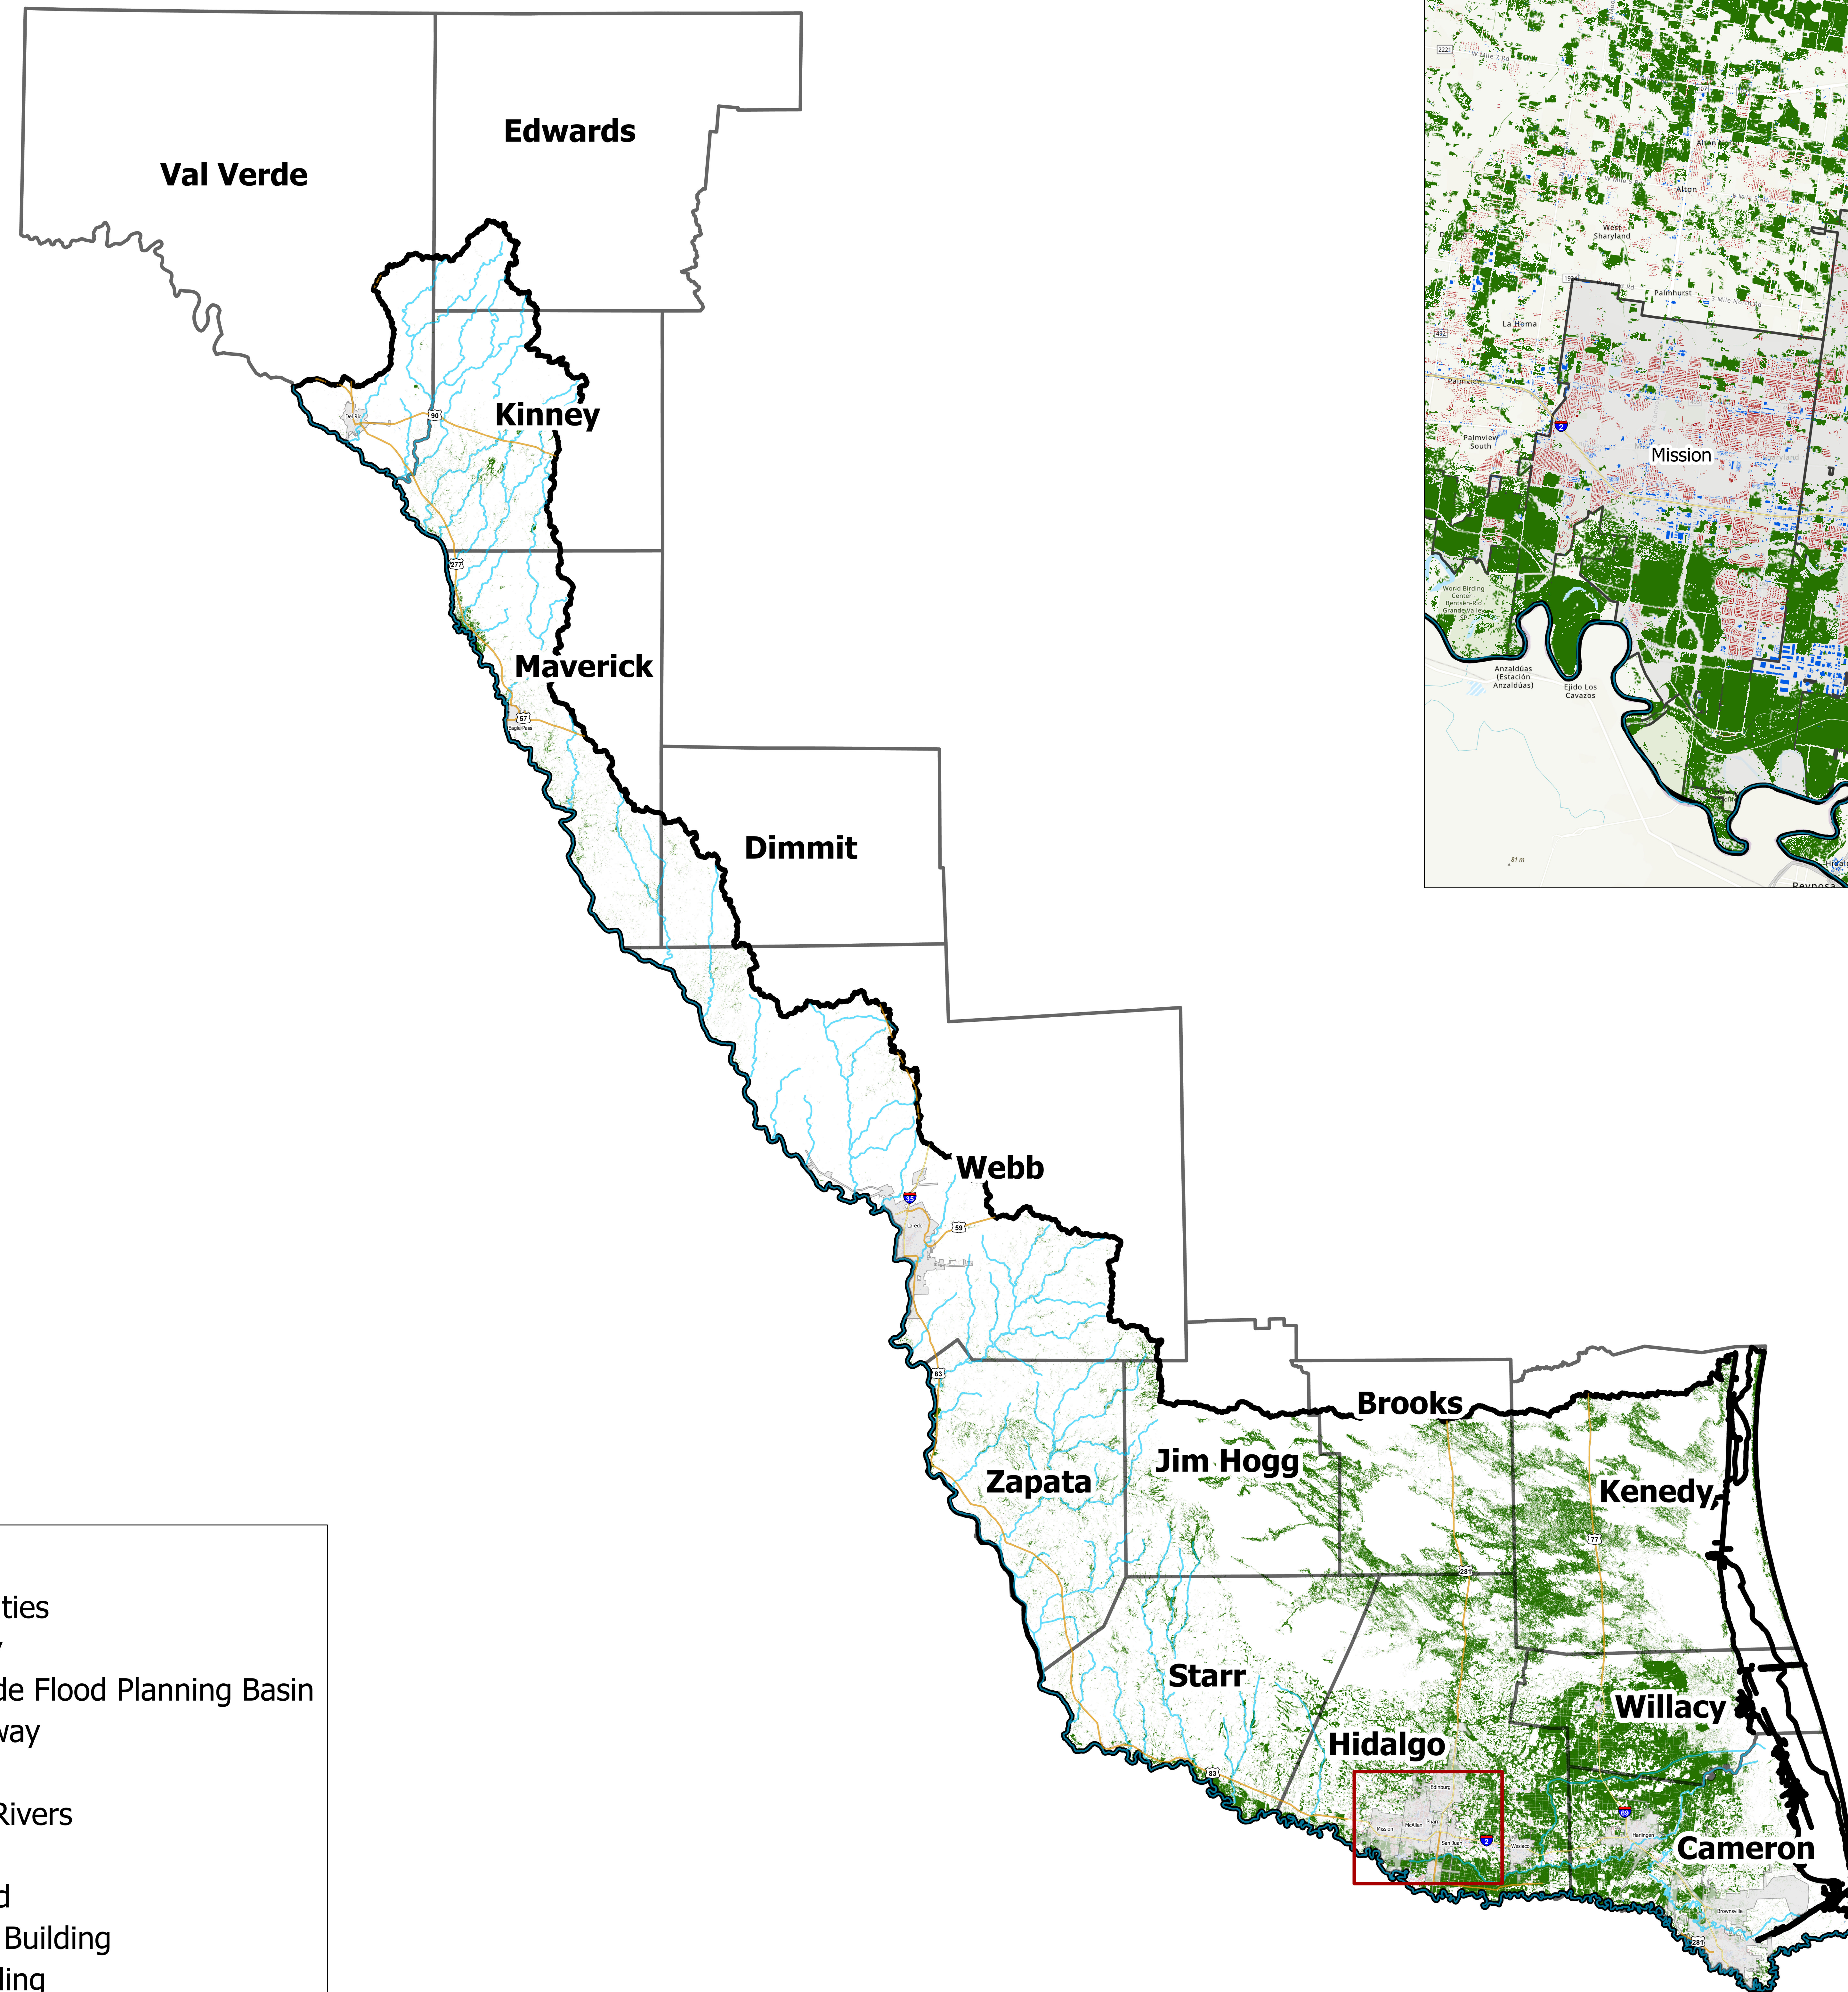

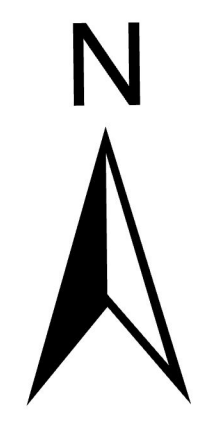

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Flood Exposure

- Natural Gas
- Power Transmission
- Roadway Segment
- Railroad

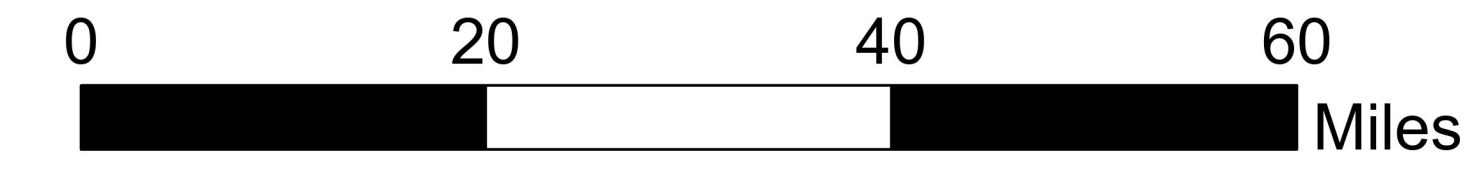

Key to Features

- Major Municipalities
- Regional County
- Lower Rio Grande Flood Planning Basin
- Interstate Highway
- US Highway
- Major Streams/Rivers

Flood Exposure

- Agricultural Land
- Non-Residential Building
- Residential Building
